COMMUNITY BLEED CONTROL KIT

IMPORTANT INFORMATION – PLEASE READ CAREFULLY

Dear Customer

Please find enclosed your HeartSafe® Community Bleed Control numbered pouch. (A standalone or limpet dispenser may also be enclosed if this is a first time order).

Please now register your new bleed kit pouch on the UK Bleed Kit Map:

<https://www.heartsafe.org.uk/bleed-kit-map/>

You **MUST** only add the expiry dates and pouch number(s) shown on the foot of the delivery note supplied with your order.

Failure to follow these instructions may result in your emergency bleed kit not being shown on the UK Bleed Kit Map as available for emergency community use.

**PLEASE READ IF ORDERING:
COMMUNITY BLEED CONTROL KIT MEDICAL POUCH ONLY**

IMPORTANT INFORMATION – PLEASE READ CAREFULLY

Dear Customer

ie (Orders without Limpet or Standalone authorised housing dispenser)

Medical orders of BS8599-1 Compliant Critical Injury Packs (Community Bleed Control Kit Pouch) cannot be registered on the **UK Bleed Control Map** as a single item unless they are supplied and housed within a 'Limpet' or 'Standalone' metal approved dispenser showing the QR code for www.bleedkit.co.uk

Please purchase a complete Community Bleed Kit Package with choice of dispenser i.e. limpet or standalone if you wish to support your community with freely available 24/7 **unlocked** dispenser offering access for the general public at all hours.
